

My Family

Whilst you're spending lots of time with the people you live with, have some fun learning lots about each other. Use this time to find out lots of interesting facts about each other. You could find out who is the tallest, who has the biggest feet, who has the biggest hands and what are their favourite things to eat.

Family Portrait

Create a family portrait of the people who live in your house. Ask your child to think about which materials they use to draw? Can they find different materials around the house to help?

Family Tree

Look at photographs of your family members and discuss where they would go on a family tree. Have you met everyone? Is there anyone you could interview and find out more about?

Coat of Arms

Find out what a coat of arms shield means. Ask them to begin to think about their design. What could they draw? Ask them to think about the colours and shapes. Maybe if they have some cardboard around the house they could make a shield to give to a family member.

Interview (Video Call)

Interview a family member that doesn't live at home with them. Allow your child to ask them about their childhood. Who did they live with? Who is in their family?

Create a booklet

Write a sentences about the people who live in your house? Who are they? What do they call them? What do they like or dislike? Why are they special to them? Maybe they could get a photograph or draw a family member before they write about them.

Data Detective

Ask your child to look at people in the house. What colour is their hair? Eye colour? Favourite colour? Favourite food? Ask them to collect this and place in a tally chart.

Create a Card

Ask your child to design a card for someone in their family. It can be a birthday card, thank you card or a card to tell someone how much they love them!

News Reporter

Their challenge is to interview family members and find things they like and dislike? Can they write down things they like and dislike? In your interview they could create flash-cards with words such as: colour, clothes, food, drinks, books, places, music and then ask a family member to pick a flash card and talk about their likes and dislikes.
