Make a word Real vs nonsense?

Have some words written or made at the ready!

Ask your child to read the words and to sort them into **real words**, or **nonsense (alien) words**.

Real words: sad, sit, bin, up, cup, got, it, dig, shop, fish, wing, think

Nonsense words: sis, mid, tol, cud, dit, fink, tish, plit, cit, thap, sut

(see real and nonsense word list on website links!)

To extend: add more letters to the word
To make it easier: just have 3 letter words.

BANG!

Make some cards with your child, using words with 'special friends' a sound that has two letters, but one sound:

sh, ch, th, qu, ng, nk, ay, oo, ee, ow, ir
(in class we write these words on lolly sticks and put them in a jar!)

Sneakily, write the word **BANG!** on some of the cards.

Now place them all face down, take it in turns to read the cards... if you can read them you get to keep them.

However, if you turn over the word **BANG!** Then you have to replace all of the cards, and start all over again!

The winner is the person with the most read words at the end of the game.
