Dear Parents/Carers,

I hope you have all had a safe and sunny Easter. Obviously, we find ourselves in unique circumstances. As of yesterday, the lock down has been extended for another three weeks.

I wanted to take this opportunity to explain about work for the children during this time. On Monday the teachers will put work on the relevant class pages. This work does not need downloading. It will have accompanying short explanations on how to complete the work. The work is relevant to your child's particular year group.

It is for you to decide, as a parent, how much of this work you access. Having spoken to several people, my key message is to establish your routines as a family in these unique circumstances. If you can do the work, then great. If it does not fit with your routines, then please don't worry about it.

On another note – the FSM vouchers. The delay with these vouchers is central. Mrs Birkett has completed all that has to be done from the school side. They should be in your email within the next few days.

We love the photos and news that is appearing on messenger please keep them coming in.

All the staff say a "hello" and we extend our very best wishes to you and your families during these challenging times. We look forward to a time when we can all be together again as the Saint Catharine's family.

Remember stay home, stay safe and protect our NHS.

Yours faithfully

Mrs Sue Pittendreigh  
Headteacher
