

Hey DUNCAN,  
 It's me, RED Crayon. WE NEED to talk.  
 You make me work harder than  
 any of your other crayons.  
 All year long I wear myself out  
 colouring FIRE ENGINES, APPLES,  
 strawberries and EVERYTHING  
 ELSE that's RED.  
 I even work on Holidays!  
 I have to colour all the SANTAS  
 at CHRISTMAS and ALL the day!  
 HEARTS on VALENTINE'S day!  
 I NEED A REST!  
 Your overworked friend,  
 RED Crayon

Tick to show if these statements are true or false.

	True	False
Duncan makes the red crayon work harder than all the other crayons.		
The red crayon is used to colour the sea.		
Red crayon is used to colour in during the holidays.		
Red crayon needs a rest.		

Why does the red crayon feel over worked?

What objects does red crayon have to colour in?

Duncan,

GREY CRAYON here. You're KILLING ME!  
I know you love Elephants. And I  
know that elephants are grey...  
but that's a LOT of space to colour  
in all by myself.

And don't even get me started on  
your rhinos, hippos and  
HUMPBACK WHALES...

you know how tired I am after  
handling one of those things?  
such **BIG** animals...

easy penguins are grey, you know.  
so are very tiny rocks, pebbles. How about  
one of those once in a while to give  
me a break?

~~is~~ your very tired friend,  
Grey Crayon

Tick to show if these statements are true or false.

	True	False
Grey crayon has the job of colouring flowers and rainbows.		
Grey crayon has to colour big animals.		
Grey crayon needs a break.		
He wants to colour small penguins and rocks.		

Dear DUNCAN,  
 It has been great being your  
 FAVOURITE colour this PAST Year.  
 And the year before. And the  
 YEAR before THAT!  
 I have really enjoyed all those  
 OCEANS, LAKES, RIVERS,  
 raindrops, rain CLOUDS and  
 CLEAR skies.

But the BAD NEWS is that  
 I am so short and stubby,  
 I can't even see over the  
 railing in the CRAYON BOX  
 anymore!  
 I need a BREAK!  
 Your very stubby friend,  
 Blue Crayon

Tick to show if these statements are true or false.

	True	False
Blue crayon is Duncan's favourite crayon.		
Blue crayon hates colouring the oceans, lakes, river, raindrops, rain clouds and clear skies.		
Blue crayon is feeling short and stubby.		
Blue crayon needs a break.		

Dear Duncan,  
Yellow crayon here. I need you  
to tell orange crayon that I am  
the colour of the sun. I would  
tell him but we are no longer speaking.  
And I can PROVE I'm the colour  
of the sun too! Last Tuesday,  
you used me to colour in the sun  
in your "HAPPY FARM" colouring  
book. In case you're forgotten,  
it's on page 7. You CAN'T miss me.  
I'm shining down brilliantly on  
a field of YELLOW corn!  
Your pal (and the true colour of the sun),  
yellow crayon

Dear Duncan,  
I see yellow crayon already  
talked to you, the BIG WHINER.  
Anyway, could you please tell Mr  
Tattletale that he IS NOT the  
colour of the sun? I would, but  
we're no longer speaking.  
We both know I am clearly the  
colour of the sun. because, on  
Thursday, you used me to colour  
the sun on BOTH the "Monkey Island"  
and the "meet the zookeeper"  
pages in your "DAY AT THE ZOO"  
colouring book. orange you glad  
I'm here? Ha!  
your pal (and the real colour  
of the sun),  
orange crayon

Why has the yellow and orange crayon fell out and no longer speaking?
