

Week Commencing: 11.5.20

Home Learning Log

We'd love to see your creations - why not send us some pictures or videos on Facebook!

Art

What are the colours of a rainbow? Go on a colour hunt around your home, collect items the same colour to create a rainbow. Create a rainbow using coloured pencils, felt tip pens, paint, chalk or other materials.

Science

What does our body need to stay healthy? Make a fact sheet.(purplemash)
 What happens to our body if we eat the right food and drink?
 What would happen if we did not get food, water or exercise?
 Who would help us if we are feeling poorly?

Geography

Look at a compass, can you find North, South, East and West. (Purple Mash)
 Write down North, South, East and West separately onto some pieces of paper. Put them in the correct places on the floor, give a family member some directions of travelling North, South, East and West.

Maths

Look up, down and all around! What 3D shapes can you find around the home?
 Can you find any objects that are cubes, cuboids, sphere or cone?
 Take photos of them or draw them in groups.

History

What materials were toys from the past (long ago) made from and the toys from today made from? Compare them and talk about why? Draw and label them. Ask grandparents and parents what did they play outdoors? Watch BBC Bitesize childhood toys.

P.E.

In the story Up and Down the penguin wants to fly.
 Practice jumping, how high can you jump, or how far can you jump, how many jumps can you do in 30 seconds. We practiced hopping, one foot to one foot and two feet to two feet jumps. Use a skipping rope or washing line, practice skipping.

DT

In the story Up and Down the boy wants to make his friend happy. Using junk model materials can you make something for your friend or family member, maybe a game, a

English

Write a message for your friends in Year 1 to share. Use a large piece of paper or be creative! If you take a photo of you holding the

Reading Strategies

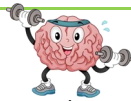

Understanding the word

Word within a word

Are there any words within the word to help you understand it?

Use your memory

Where have you seen the word before?

Read around the word

Ask questions

Use a dictionary

Look at the pictures

Re-read for clarity

Re-read to make sure you have the correct meaning.

Adjust your pacing

Use precision reading to help you understand a word. Slow it down!

Word association

Example Word: *submerge*

I know that submarine is a ship that goes under water, so 'submerge' might mean to be under water.

Reading the word

Special Friends, Fred Talk, Say the Word

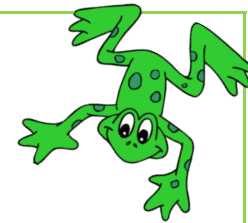

Example Word:

fish
.. —

Special Friends: sh

Fred Talk: f - i - sh

Say the Word: fish

Look for chunks

Chunk the word up to help you read it.

Example Word: person

person

Look at the pictures

Hop, Skip and Jump

Read to the end then come back.
