

Year 3 Weekly Learning Overview

Each week, your teacher will upload a tutorial video along with a worksheet for reading, writing and maths. Please complete these every week so that you continue to develop and consolidate your Maths and English skills.

A 'Home Learning Log' will also be added to the website every week - here, there will be a variety of activities for you to complete linked to different subjects. If you can complete at least one of these each week, that would be great!

Finally, teachers will be adding some fun activities onto Purple Mash - please keep a look out for these!

Daily learning activities:

- * *Reading - a book, magazine, newspaper, comic*
- * *Time Table Rockstars*
- * *PE with Joe Wicks - 30 minutes*
- * *RWI Spelling*

Should you wish to access any online resources, here are some useful websites:
