La lección para esta semana. Lesson for this week!

- This week's Spanish lesson for Y3 is all about learning the parts of "La Cara" (face) in Spanish.
- For Y4 & Y5, use the lesson to see how much you can remember? It should be easy! 😊
- Use the power point in slide show mode. Slide number 4 introduces the lesson ;"La Cara"
- Slide number 5 teaches/recaps some parts of the face. I have put the sounds of the words in brackets, so you can practise how to say them. Do this a few times, until you are confident, that you know them.
- You could perhaps learn/recap with somebody that you live with and compete with each other to see who can learn them the quickest!

¡Buena Suerte! Good Luck!

Instructions for slides numbers 9 - 13

- Use the power point in slide show mode. The game won't work if you don't.
- This is a version of hangman, that we have played in class. Our version is "Astronauta" (Spaceman)
- You will need somebody else to play this game. They will need to:
- Look at the answers to the game, and add the letters if you get them right. Do this by clicking on the box where the letter goes.
- If you don't get it right, your partner must click on the letter, so you know not to use the letter again, and then click BUILD to start building the spaceship. Remember, you only get 9 guesses!
