## Water Woman: A Superhero

### Who Is Water Woman?

Water Woman's real name is Sanita Swimmer. Sanita loved to swim, sail, water ski and do just about anything that involved being beside the water's edge. One day, she dipped her toes delicately into the glistening water and was stung by an unidentified sea creature. Within a matter of minutes, gills sprouted on her neck and skin grew between her fingers and toes. From that day on, everything changed: she was Water Woman.

### Superpowers

Not only can Water Woman make herself invisible, but she can also breathe underwater and swim very quickly. She will always try to rescue people and creatures who find themselves in danger in the water, and she loves to play tricks on fishermen.

### Friends

One summer's day, the fisherman, Frankie Fisher, witnessed Sanita transforming into Water Woman whilst he was working. From that day on, he vowed to keep her secret. Not only does Frankie protect her identity, he also informs her whenever someone - or something - is in distress. Water Woman also has a heroic sidekick in Donald the Dolphin. Donald is incredibly courageous, clever and caring, although on occasion he can be a little too chatty!

### Enemies

Water Woman has an extensive list of allies but there are also adversaries who try to prevent her from looking after her marine friends. Sly Steve Sharky is her arch-nemesis. While Water Woman courageously attempts to assist innocent people, and save stranded sea creatures, Steve often makes his best effort to hurt those whom she rescues. Nevertheless, Water Woman bravely continues in her quest for justice!
